

Consent for applying suncream.

Child's name

.....

Dear Parent/Carer

Now that the warmer weather is here and the sun has come out we need to make sure that our children are protected from the more harmful effects of the sun. School doesn't provide suncream and we ask that parents and carers apply suncream to their children before the start of the school day.

We also ask that you send your children to school with a named sun hat to protect their head and also sun additional sun cream to re-apply if needed. This should be clearly named.

Please initial the relevant box below and return this form to school.	Please initial
Named own Sun Lotion - I give my permission for the school to help apply sun lotion which I have provided.	
I do not wish for school staff to help apply sun lotion. My child will do this themselves.	

Please note consent can be refused without detriment and withdrawn at anytime by writing to or emailing the school.
